Exclusive Homes - SouthBeach

The Platinum Series at South Beach is a fully integrated lifestyle concept from Buildwise Lifestyles. Stage One, comprising seven architecturally designed homes on elevated blocks fronting Breaksea Drive, are now selling.

Breaksea Drive Elevation

Clever architecture for today's lifestyles.

On this low-maintenance footprint, our award-winning Buildwise Lifestyles architect has included everything you could want for a carefree contemporary lifestyle. The high quality build includes cutting-edge design features like extra-high ceilings and full-height glazing. The builtforms, with adjoining side walls, have a sophisticated Australian coastal sensibility. Homes are elevated from the street, enhancing privacy and visual presence. A well-considered palette of materials, colours and finishes flows from external to internal spaces. Recurring themes are split-faced blockwork and cubist shapes for a distinctly modern edge.

Exclusive Homes - SouthBeach

Love the life at South Beach.

Stroll to the beach and marina. Promenade the neighbourhood. Hit the streets and cafes of boho Freo. It's all there for your enjoyment where city meets beach culture. A magnificent parkland through the centre of South Beach features an amphitheatre, stunning lake and boardwalks to provide the ideal location for entertaining family and friends outside the home. South Beach is already one of Australia's most successful new real estate developments. And prospects are bright for future property values given the unique location, the luxury homes and the high quality of the development.

Secure your home today. The Platinum Series at South Beach has already attracted keen interest. Reserve your beach front lifestyle now.
